AZAGLO DERRICK KWABENA

OBJECTIVE

I am actively seeking a fulfilling National Service opportunity where I can leverage my skills and enthusiasm to contribute effectively to organizational goals. Eager to apply my academic knowledge and learn practical skills in a dynamic work environment, I am open to diverse roles that allow me to make a meaningful impact and contribute to the overall development of our nation.

SKILLS & ABILITIES

- Proficient in HTML, CSS, JavaScript
- Knowledgeable in back-end technologies (PHP)
- Familiarity with Git for version control
- Strong problem-solving and analytical skills
- Good communication and collaboration skills

PERSONAL QUALITIES

Enthusiastic, detail-oriented, and always seeking to improve my skills. I have a strong work ethic and a passion for creating innovative and user-friendly web applications.
